

PARTY BANNERS

Decorate your bedroom, house or school with these scrumptious sweetie banners!

You will need: Paper plates, string, straws, glue, scissors, pencil, coloured paper

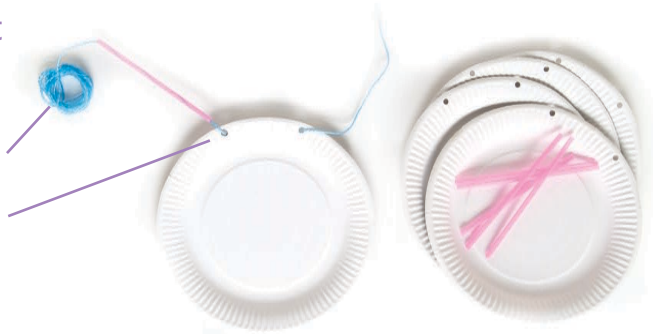

- Take a stack of paper plates and hole punch each one on the top edge

- Cut a piece of string the length you want your banner to be and tie a knot at one end

Thread the string through the straw...

...then through the first paper plate.

Keep alternating and end with a straw. Tie a knot in the end.

- Cut out circles and swirls from coloured paper and old wrapping paper

- Glue the circles and swirls onto the paper plates

- Hang your finished banner high and start the celebrations!
