Charlie and the Chocolate Factory

SECRET SWEET INVENTION

Willy Wonka creates the most fantastic sweets in the world! But the Oompa Loompas are restless for something even more stupendous. Help Mr Wonka create a weird, wacky and wonderful sweet and make the Oompa Loompas happy!

To help you with your creation read this extract from Roald Dahl's CHARLIE AND THE CHOCOLATE FACTORY:

"Choose a button!" said Mr Wonka. "The two children may press one button each. So take your pick! Hurry up! In every room, something delicious and wonderful is being made."

Quickly, Charlie started reading some of the labels alongside the buttons.

THE ROCK-CANDY MINE – 10,000 FEET DEEP, it said on one.

COKERNUT-ICE SKATING RINKS, it said on another.

Then...STRAWBERRY-JUICE WATER PISTOLS.

TOFFEE APPLE TREES FOR PLANTING OUT IN YOUR GARDEN – ALL SIZES.

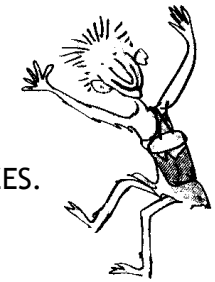
EXPLODING SWEETS FOR YOUR ENEMIES.

LUMINOUS LOLLIES FOR EATING IN BED AT NIGHT.

MINT JUJUBES FOR THE BOY NEXT DOOR – THEY'LL GIVE HIM GREEN TEETH FOR A MONTH.

CAVITY-FILLING CARAMELS - NO MORE DENTISTS.

STICKJAW FOR TALKATIVE PARENTS...



Now write a description of your sweet. You may also use another sheet of paper to draw a diagram.

What does your Wonka sweet taste like? What does it look like? Does it make a noise? Change colour? Smell? What does it do?!
